IV. The Campus Vallendar

The main WHU building (A, B) is known as the Marienburg, and the lecture halls (C, H, G, K) are centrally located around a central square, the Burgplatz. This, together with the neighboring park, lends WHU the self-contained character provided by a real campus university. No more than a few offices are located in the immediate surrounding area.

All the university buildings, the library (F), computer room, lecture halls, departments, cafeteria and administrative offices are within a short distance of one another. The Burgplatz is a pleasant place for relaxing, with its benches nestling under shady trees and large fountain. The atmosphere is intimate and non-intimidating. It’s easy to meet up for a chat, to meet new people or to relax between lectures. Those looking for peace and quiet will find it among the large old trees of the park bordering the Marienburg.
V. Information on Administrative Matters

Schedules
The 2018 schedule is available online. You will be sent the finalized schedule of 2019 shortly before the beginning of the program. Please note that they are preliminary and subject to change.

Registration Fees and Refund Policy
Registration is completed when the registration form has been sent to the Summer Program Manager’s attention, receipt has been confirmed and the payment completed. Once officially registered, a refund is not possible.

Visa
US-citizens in possession of a valid US passport do not need a visa for stays up to 90 days. The passport must not expire before the end of the scheduled trip. Students of all nationalities should please contact your local German Consulate or Embassy to determine whether a visa is required. The WHU cannot issue visas or advise on which visa is appropriate. Regarding visa, you will find further information at: https://www.auswaertiges- amt.de/en/einreiseundaufenthalt/visabestimmungen-node/staatenlistevisumpflicht-node

Airport Pick-Up
An airport pick up service has been arranged for the arrival day on May 26. We highly recommend making use of this service, as it is the easiest and most comfortable way to travel to WHU. Additionally, arriving individually may cause difficulties when checking into housing.

On the arrival day, the program manager (Susanne Huttenlocher) will be waiting at the official meeting point in Terminal 1, Level 1, Section B at Frankfurt Airport between 10 am and 11 am.

Please make sure to book a flight to Frankfurt Airport and not Frankfurt Hahn Airport (IATA: HHN) which is located 100 km away from Frankfurt. We cannot pick you up there! We will also offer a shuttle service back to the airport at 7 am on June 15.

If you are interested in taking the pick-up/drop-off – which is highly recommended – please organize your flights accordingly and inform us about your flight schedule as soon as possible (susanne.huttenlocher@whu.edu). If you choose to travel to Vallendar yourself, please also inform Susanne.

Please note that due to our tight schedule, we are unable to wait for participants who are delayed for whatever reason. The pickup is between 10-11 am and if you are unable to make this time, then you will be responsible for finding your own way to Vallendar. Susanne will
provide her phone number so that you may contact her if your flight is delayed and you will be arriving individually.

### Airport Map

![Airport Map](image)

### Dress Code

The dress code is smart casual during class (smart jeans / trousers / dress / skirt / polo-shirt / casual shirt) and business casual (shirt / smart trousers / skirt / dress / jacket / no jeans material) for company visits and events.

### Laptop

You will have full access to our computer facilities, but please also bring your laptop! The slides will be provided electronically so you may use your laptop to look at them during class. However, professors will not appreciate it if you spend more time looking at the laptop than them, and you should not be accessing any material other than slides.

### Course Material

Before your arrival, you will be asked to prepare the first class with **pre-readings**. All additional pre-readings for the three course weeks will also be made available for download in advance. Upon
arrival you will receive a USB flash drive containing all course material for the three weeks, providing you with the slides, pre- and review readings for each day.

**Internet**

There is Wi-Fi available on campus, but not in all housing options. Please check carefully to see if your housing has Wi-Fi. If not, it might be a good idea to bring your own router if you don’t think you will be able to survive with just plug in Ethernet!

**Accommodation**

Vallendar is a small and quiet town, with only a few amenities (including, however, a large supermarket) so we would ask that you remember that many of your neighbors may be elderly, or be families with young children. We would also like to emphasize that the center of Vallendar (where the campus is situated) is about a 10 minute walk from most of the accommodation. You will be accommodated in one of the following housing options at Vallendar depending on the availability of rooms:

**Höhrer Straße**

The block of apartments offered in “Höhrer Straße” is newly built - a modern building with student apartments in various sizes. It is located within less than 5 minutes walking distance to WHU and the center of Vallendar. Up to 80 students will be staying there, living in several single and two-bedroom-apartments as well as shared flats for 4 or 5 people. All units are fully furnished and come with an equipped kitchenette and a separate bathroom. In addition, the apartment area will provide a laundry room with several washers and dryers.

**Cost for three weeks: € 440 - € 500.**
**Smart Flats, Goethstraße**

The Smart Flats apartment house was built in 2012. The single units are equipped with separate bathrooms and kitchenette. The apartments are fully furnished and completely equipped. This house has a common room which can be used by all renters. Additionally, it provides a laundry room with washing machines and dryers.

**Cost for three weeks: € 500.**

**Check-in**

After the pick-up at Frankfurt Airport the bus will drive directly to Vallendar. Information with regard to your transfer from Vallendar to Koblenz while attending the course will be given to you during the information session on the arrival Sunday. In Vallendar, a member of the housing office and a team of students will be waiting for you and helping you with the check-in.

Please read the description of the offered housing option carefully to be sure about its equipment; in case towels e.g. are not indicated, please bring your own towels with you!

⇒ If you are not sure, please do not hesitate to contact Housing ([housing@whu.edu](mailto:housing@whu.edu))

**Check out**

1. The end of the program is scheduled for Friday evening! Please make sure that you take part in the entire program. Check-out will be on Saturday (until 12:00 pm) after the course is over. In case you would like to stay longer in the apartment/room, please contact Philomena Richartz or Susanne Huttenlocher as soon as possible.

2. After your check-out, the landlords will need some time to check all apartments/rooms. In case of problems within your apartment/room (e.g. broken or missing things) we will e-mail you and arrange for a financial solution with you.
In case of any questions with regard to housing, please do not hesitate to contact our housing office (housing@whu.edu). They will be happy to help you!

Please note that the housing office is only open from 08:00 a.m. until noon.

**General information about Germany/Vallendar living conditions**

Vallendar and especially the island Niederwerth are more rural places to live. Please always consider your neighbors: The German law regulates **special rest times**, from 10 p.m. to 6 a.m. **during the night** and 1 p.m. to 3 p.m. **during the day**. Germans are very sensible regarding this rule during nighttime, and might even call the police if they feel this rule is being violated. So please keep this in mind should you decide to party, etc.

**Do’s and Don’t’s – Some Handy Things to Know for Daily Life**

**Manners**

Germans place a high value on punctuality especially if you have official meetings or appointments such as with a doctor, professor or colleague.

**Shopping**

- Stores/supermarkets are closed on Sundays!
- Credit cards are not very common in Germany which means that most stores or restaurants will not accept them. So be prepared to pay in cash.
- Price tags used in Germany already include the value-added tax (VAT, “Mehrwertsteuer”/MwSt.). You can see the amount of the VAT on your receipt.
- To be able to shop in a grocery store or supermarket with a shopping cart you need a one Euro coin. This coin will be inserted in a slot as a deposit.
- When paying for your groceries you have to pack them at the same time. This will not be done by the cashier or a bagger.
- Shopping bags in grocery stores and supermarkets are not for free. Either you bring your own bag or you have to pay for every bag you need.
- Most bottles in Germany (glass or plastic) have a bottle deposit. You get this deposit back when you return the bottles (it does not have to be the same store in which you bought them).

**Leisure time**

- Enjoying a drink or meal in the restaurant might also involve some new insights. **Restaurants do not serve tap water.** You have to order bottled water which is mostly
sparkling. Drinks are usually served without ice. Tip is given directly to the server and is not left on the table.

- In Germany, we are obliged to separate the garbage; adequate trash cans are provided within most of the apartments. Air conditioning is not common in Germany and you will not have an AC in your dorm. This also means that windows need to be opened at least once a day to have air circulation.

VII. WHU Facilities

WHU-Card
The WHU-Card is a multifunction card serving as admission card for the library, copy card, entrance card to the buildings (and the gym) as well as student identity card. You will receive it upon arrival. Please note that the card has to be returned at the end of the program. Otherwise, we have to charge you EUR 25. If you lose your card, please inform your program manager immediately, as it serves as a key to the buildings and all facilities and it needs to be blocked in case of loss. This is why you should look after it very carefully! The main entrance to WHU is open from Mondays through Fridays from 8 a.m. to 6 p.m. Outside these times and on weekends the doors close automatically, meaning it is only possible to open the doors with your WHU Card.

Cafeteria/Mensa
WHU’s Cafeteria (D building) is open Mondays to Fridays from 11:30 a.m. to 2:30 p.m. You can buy snacks and salads directly in the cafeteria. The registration fee includes a daily lunch from Monday to Friday (for exact time please check schedule). Our cafeteria also offers vegetarian and vegan meals.

Library
WHU has a modern library with a current stock of around 41,300 books (including approx. 4,600 e-Books), 250 journals in print and 61,000 online journals. Approximately two thirds of the journals are in English. In addition, there are journals in other languages. The library team is happy to welcome you! The library and the reading room are available to every student 24 hours a day, also on weekends. Librarians are available to assist you during the following hours: Monday through Friday: 8:30 a.m. to 3:30 p.m.

WHU Gym
The WHU Gym is open from 6 a.m. to 4 a.m. and can be accessed with your WHU Card. It is located in the basement of the D-building.

The PC Lab
You will easily find it in building F (2nd Floor). Around 40 PCs are available to every student 24 hours a day with all standard Microsoft office tools needed. Every PC is connected to a printer
(printing costs 5 cent/page or 25 cent/colored page). Printing is also possible in the library. Please contact the IT department (service number: 561) whenever you encounter any problems with computers in the PC Lab. As most of the communication at WHU is via email, please check your email accounts regularly!
VIII. About Germany

The Federal Republic of Germany is located in the Heart of Europe. Germany is surrounded by nine other countries: Denmark to the North, the Netherlands, Belgium, Luxembourg and France to the West, Switzerland and Austria to the South and the Czech Republic and Poland to the East. More information on Germany can be found at: www.bundesregierung.de The Federal Republic of Germany covers an area of 357.000 km² and has a population of 82 million people. After Russia, Germany is the most populated country in Europe.

More information on Germany can be found at https://www.bundesregierung.de/breg-en
On the region: www.romantic-germany.info/

Weather

Germany is situated between the West winds of the Atlantic Ocean and the continental climate of the South. There is rainfall in every season. During winter, temperatures can drop to between 5°C and minus 5°C. The summer temperatures range between 18°C and 30°C. So, please bring appropriate clothing for spring and summer – also sweaters and umbrellas/raincoats – it can also be cold and rainy in summer!

Electricity

In Germany all electrical outlet points are designed for 220 volt, 50 HZ, AC and two-prong plugs. Any adapters you may need can be bought in electronics shops, but ideally, you should bring some with you as shops will be closed on the arrival day!

Credit Cards

All major international brands of plastic - MasterCard, Visa and American Express – are more and more accepted, especially at major hotels, petrol stations and department stores. Don't assume that you'll be able to use your card to pay for meals though; inquire first. ATMs are ubiquitous throughout Germany and you should have no problem accessing your credit or debit account back home. Foreign currency, including traveler checks, can be exchanged at banks and special exchange shops in larger towns.
Gratuities

Service and VAT are included in the menu price in restaurants, bars, etc. all over Germany. Still, it is typical to round up the amount to some more-or-less round figure. A rule of thumb is to add 5-10%, generally ending with a full Euro amount.
Caveat: it is not typical to be given a check, then leave your money on the table. You have to tell the amount including tip you want to pay before you pay (via cash or credit card).

Food

Germany is a traditional meat-and-potatoes country. However, besides this traditional cooking, you will find a wide range of international restaurants with all styles of food. A classic German breakfast includes rolls, jam, cheese, cold meats, chocolate spreads, hard-boiled eggs and coffee or tea. Beer is the national beverage and it is one cultural phenomenon that must be adequately explored. The beer is excellent and relatively cheap. Each region and brewery produces beer with a distinctive taste and body.
Vallendar is a lively small town located on the bank of the Rhine, which unites the atmosphere of ancient tradition and typical regional charm. The town’s distinguishing feature - old bourgeois houses dating from the 17th and 18th centuries - are for the most part timber-framed buildings displaying exquisite beam carvings. Since 1934, Vallendar has been a government-approved health resort, offering Kneipp treatment and pure air for convalescence. The charming surrounding countryside offers many attractive walks and hiking routes. In the summer months, daily boat trips are operated along both the Rhine and the Moselle.

**Shopping**

Besides some smaller shops (butcher, bakery, flower shop etc.) there are also a number of supermarkets, such as Aldi, Netto or Lidl. Supermarkets are open from 7 or 8 a.m. to 8 or 10 p.m. from Monday to Friday, and on Saturdays from 8 a.m. to 8 p.m. The big supermarket Rewe, next to WHU, is open Mondays to Saturdays, from 7 a.m. to 10 p.m. All stores are closed on Sundays and public holidays, so be sure to plan your shopping accordingly. However, restaurants and gas stations will be open on Sundays.

**Banking**

There are two banks right in front of WHU.

**Sparkasse**

Heerstrasse 57-59  
Phone: 0261-393-5040  
Fax: 0261-393-60430

**Volksbank**

Heerstrasse 50a  
Phone: 0261-64008-0  
Fax: 0261-64008-30

Both, Sparkasse and Volksbank, accept Mastercard and Visa at the ATM. Most banks are open Mondays to Fridays from 8:30 a.m. to 12:30 p.m. and from 2 to 4 p.m. (although most stay open a little longer on Thursday). Unfortunately, exchanging money is not possible in Vallendar, only in
Koblenz. You will also find more banks, such as Deutsche Bank or Commerzbank, in Koblenz. Please plan accordingly before arrival.

X. About Koblenz

Koblenz, about 7 km from Vallendar, can be reached by bus. You will get a bus card upon arrival and all information concerning transfer between Koblenz and Vallendar.

Situated in between the picturesque landscapes of the Rhine and Moselle and surrounded by four low mountain ranges is the 2000 year old town of Koblenz. Its abundance of cultural monuments and historical buildings, the cozy little lanes and alleyways, the relaxed and happy atmospheres of its squares and river promenades make Koblenz a sympathetic town where its guests feel right at home. The view from high (118 meters) above the Rhine at Ehrenbreitstein Fortress across the "Deutsche Eck" (German Corner) with its re-erected monument, the "Reiterdenkmal". A meeting point for visitors from all over the world who are on their way to discover the fascinating landscape between the Rhine and Moselle.

Wandering through Koblenz will give you an idea of its fascinating character: romantic little lanes and historical squares intermingled with shops, restaurants and cozy taverns. A walk from the market place "Florinsmarkt" to the square "Münzplatz" and from there on to "Jesuitenplatz" will take you past beautifully restored shops and offices, the churches "Florinskirche" and "Liebfrauenkirche" and numerous cultural monuments along the way.
Modern shopping centers are nestled into the historical surroundings of Koblenz. The city also offers an abundance of original wine bars that invite you to take a break at any time. The banks of the Rhine and the Moselle also invite people to relax in the open air or to stroll along the promenade amidst a wonderful landscape.

Koblenz was given its name by the Romans with the construction of "Castellum apud Confluentes" (castle by the confluence). While exploring Koblenz' past, visitors will be impressed by the history of this town, which, over centuries, was first captured by the Franks then chosen as residence by the dukes and electoral princes, occupied by the French and finally ruled by Prussia. Fortress walls and towers, castles, residences, monuments and parks paint a convincing picture of the town’s eventful past. Emperors, dukes and kings have resided in Koblenz. Visitors from all over the world discover the buildings and cultural heritage they have left behind. The notion that food and drink soothe the body and soul does not just apply to Koblenz. Nevertheless, savoring the specialties from this region is a particular and unique experience. Enjoy original dishes such as "Döppekoche" (savory potato cake made of grated potatoes, bacon and onions), together with a young or mature wine from the steep slopes of the Moselle vineyards or the Rhine valley - simply irresistible.

**Pubs**

- **Irish Pub (Burgstraße 7)**
  For Guinness drinkers. Great events, including Pub Quiz and Karaoke night.

- **Joe’s Winkel (Am Plan)**
  Unbelievably narrow. View of the Moselle.

- **Gecko Lounge Cocktailbar (Gemüsegasse 14a)**
  Cozy atmosphere in the vaulted cellar. Jazz on Thursdays!

- **Café Pfefferminzje (Mehlgasse 12)**
  Very small. Tasty cheap snacks during the day.

- **Mephisto (Eltzerhofstraße 3)**
  Loud, smoky, narrow. Young crowd, so you’ll meet a lot of WHU students.

- **Havana Restaurant & Cocktail Bar (Kornpfortstraße 6)**
  Cuban restaurant & bar. Cocktails and food, Cuban music.
