Online Course Guide www.whu.edu/courseguide

Language of Instruction Two undergraduate tracks are offered: either with 80% or 100% of the courses in English. The graduate programs are taught completely in English.

Language Requirements BSc and MSc exchange students do not need to prove their proficiency in English as we trust the selection process of our partner universities. However, a high level of English proficiency is required as the majority of the courses are taught and examined in English. We therefore strongly recommend that exchange students have English language skills equivalent to an internet based TOEFL score of at least 95.

 Class size: 30 to 40 students
 Examination types: Exams, papers, cases, presentations and participation
 Attendance: Mandatory

Students should contact the German Consulate of their home country (or country of residence) to find out if they need a student visa prior to entering Germany/Europe for study purposes.
