Session I: May 5 to May 19, 2020
Session II: May 10 to May 22, 2020

“My study abroad experience at WHU was the highlight of my first year of business school. The professors were funny, engaging, and brilliant, and I left with a tremendous amount of knowledge about European business. The food and housing were great, and I loved all of the cultural activities, especially the castle tour. I ended up making some awesome friends in the program, and many of us have stayed in touch and are planning meetups in the coming year. I highly recommend this program to anyone who is interested in learning more about European business practices.”
