WHU Library - Databases at your Fingertips

**Excellence in
Management
Education**

What resources does WHU Library offer?

... is a common question. This database guide provides an overview about our sources and recommendations on what to use and when. Please note that each database includes a varying range of topics, media or/and data, although the following databases are just categorized by the main emphasis of each database. You will find the information about how to access the databases at the end of this flyer.

Business

Are you looking for literature like articles, reports or books in order to write your Bachelor- or Master thesis or a scientific paper? You might find the following databases helpful.

ABI/INFORM Global
